Detached villa, 3 beds, 3 bathrooms, with possibility for a big guest apartment! This detached villa, in the quiet and very natural Orba Valley, is spacious, and offers a good building quality and VERY NICE PANORAMIC VIEWS. The property, in a modern and international neighbourhood, is very well equipped with central heating, large terraces, etc... With a extra room that can be converted into guest apartment, with space for a bedroom, bathroom and living. An interesting opportunity!
